Sponsored by the Northern California Brittany Club

Free Demonstrations:

Saturday: July 21st

- Obedience - 9:00
- Rally 10:00
- Grooming - 11:00
- Gun dog handling & training 1:45

Premium Activities:

Saturday, July 21st

Bird Exposure - \$35

- Beginner dog bird field and experienced dog bird field. 15-minute braces.

Sr Chukar Shoot - \$65

- One handler/gunner & one dog have 15 minutes and 6 shotgun shells to find and harvest 3 birds. Awards will be given to the top 4 owner/handlers.

Junior Chukar Shoot - \$65 (* 2nd year *)

- Intended for handlers with limited to no experience or non-shooting handlers. The Handler (and optional gunning) and one dog have 15 minutes and 6 shotgun shells to find and harvest 3 birds. The format of having a gunner accompany the handler is a wonderful opportunity for those that want to work on their handling or for those thinking of a handing in a senior hunt test. It is highly recommended that dogs have had multiple exposures to blank or shotgun fire.

Confirmation Dog Show Walk Through - \$5

- Learn how a dog show works and how to prepare for one.

Obedience Walk Through - \$5

- In this companion to the demo, an experienced handler will walk you through the commands and training for obedience competition.

Rally Walk Through - \$5

- In this companion to the demo, get hands on experience and insight into how Rally works while walking your dog through a course with an experienced handler. Introduction to the new Rally exercises for Intermediate and Master classes will be provided for anyone interested.

Trapshooting Walk Through - \$10

- Limited to 10 students
- Ever wonder about trapshooting? Or just want to improve your wing-shooting skills? Perhaps you just want to be more comfortable with a shotgun. Here is your chance to get trapshooting explained and get hands on practice from an experienced competitor and firearms instructor. Those new to shot-gunning are welcome! A limited number of shotguns will be available to borrow.
- Once you have improved your skills how about putting them to use and joining others for a round of trap and friendly competition? All women shooters who attend the trapshooting demo and walk-through will get \$10 off their trap entry. Cash prizes will be awarded to the top shooter, top women's shooter, 2nd place, & 3rd place.

Club Meeting @ 4:30 PM followed by dinner & raffle

We have several AMAZING raffle items again this year. Check out our Facebook Page "Brittany Fun Days" For more information.

If you are unable to attend this year's Fun Days or would just like to contribute to this event, we would greatly appreciate it.

We are looking for people to sponsor the trophies for the Sr. Chukar Shoots and the two Field Trial events. We are planning on, continuing the tradition of awarding dog collars this year. The collars will have brass plates personalized for our event.

If you have any questions or would like more information about Fun Days, please let us know. We will be posting updates and other information on our Facebook page, "Brittany Fun Days".

Things to know....

- We will be holding our annual Northern California Brittany Club membership meeting at 4:30 PM July 21nd in the clubhouse.
- Due to another year of amazing catering by Ray and Cindy Solander we will NOT be having a potluck dinner this year, so don't worry about bringing a side dish, just come hungry.
- Dogs of all breeds are welcome, doesn't matter if they're spayed, neutered, intact, registered, not registered, adopted, rescued, etc. Come one, come all!
- Bring a lawn chair and a pop-up shade if you have one. It never hurts to have sun screen and bug spray either.
- Bring a stakeout or other device for containing your dog. Dogs must be leashed, staked out or crated at all times.
- No dogs allowed in the clubhouse, on the porch or in the picnic area in front of the clubhouse. Dogs cannot be tied to railings or trees. Please pick up after your dog!
- Blaze orange **must be worn** in the field at all times.

ALL ATTENDEES MUST CHECK IN AT THE CLUBHOUSE UPON ARRIVAL.

- Overnight parking for RVs and other vehicles is provided. Tent camping on the lawn also is permitted. Showers are available in the clubhouse. BYO towels, soap, etc. Motel accommodations are available in nearby Dixon.
- No smoking in the fields.

No. 1 rule: Have fun, play nice, and be respectful of others.

Fun Days Chukar Shoot

The goal of the Fun Days Chukar shoot is to allow individuals and/or dogs, new to the event, an opportunity to gain exposure while allowing seasoned handlers a chance to refine their skills. The Fun Days Chukar shoot rules are simplified from the standard rules and are intended to help make the event fun and educational while maintaining the structure and intent.

Fun Days Chukar Shoot rules:

Summary: Brace is 15 minutes. The goal is harvest three Chukars using the least number of shots and time.

Detailed:

- 1) Clock starts once handler or dog crosses into the field
- 2) Only 3 birds per brace. Additional birds will not count. The clock will stop, and the handler must exit the field upon the 3rd birds flush and completion (harvested or missed).
- 3) Your run is over when the last bird is in hand and your dog is under control. Or, when the allotted time runs out.
- 4) Scores are based on the time to harvest 3 birds, and the number of shots used.
- 5) Any shots after 6 will be counted as penalty and time added
- 6) Retrieves are not required to score a bird.
- 7) Any shots at designated Safe Zone, Gallery, Judge, Dog, Blind etc., will result in immediate DQ from event.
- 8) A safety can be called by the Hunter or Judge.
- 9) Upon exiting the field, the handler must produce any birds, shots to be counted, towards a score. Except for birds that have had Safeties granted.
- 10) Your gun is to always to be unloaded with actions open. The only time your gun is to be loaded is at the starting gate, and while actively hunting in the field. When your run is over, you will unload your gun before exiting the field.

Special Notes:

- Non-shooting handlers can participate in the JR Chukar Shoot. An approved Gunner can work with the handler for their designated brace.
- Blaze Orange must be worn above the waist by all individuals in the field. vest, hat etc.
- Gunners or shooting handler must have a valid CA hunting license. **As a reminder 2017/18 licenses expire on 6/30/2018.**
- There is no harvesting of birds out of bounds. All birds harvested must be produced from inside the boundaries of your field.
- Birds may **not** be shot on the ground; all shots must be in an upward direction.
- A dog can be run in multiple braces, with the same or different handler, on the same day as long as they have paid the appropriate entry fees prior to the start of the event.

For more information contact Michelle Millette: (530) 300-2638 or brittanyfundays@gmail.com

- Only the handler/gunner are allowed in the field during the brace, all others must stay with designated safe zone until the handler/gunner and dog exits the field.
- Electric dog collars are allowed. Check cords or leashes are not (exceptions considered in Jr, please discuss any special needs with your judge). You may only use one e-collar on a dog during your brace and the collar must be worn around the dog's neck.
- Bitches in season may compete after all males have completed their braces. All dogs in season need to be kenneled away from other dogs; preferably in your vehicle parked away from other contestants.
- All dogs that are not on their run need to be leashed or kenneled. No loose dogs. All bitches in season must be kept away from other dogs.
- All Hasting Island hunting rules apply
